

REC7™ DI

SHOOTS HOLES IN EVERY EXCUSE

TOUGH, RELIABLE AND WITHIN REACH, THERE'S NO EXCUSE NOT TO OWN THE WORLD'S FINEST CARBINE.

After years of raising the bar on long-range shooting with our 50 caliber, Barrett has now created our next generation AR. We call it the REC7 DI, and, while incredibly light, it carries some truly weighty attributes. A highly customizable direct impingement rifle, the REC7 DI can be adapted to your specific preferences. What's more, in true Barrett tradition, this rifle is hand-built and intensely precise for accuracy that's truly one of a kind. Shoot it thousands of times, drag it through the mud, submerge it in the water; whatever the case, it's built to be reliable for years.

The REC7 from Barrett. Shoots holes in every excuse.
